

CEMS Release Notes v. 31.4

Release 31.4 for the Comdata Expense Management System (CEMS) deployed on 4/13, and includes the following enhancements:

- **Add Extra Job Import Type.** This item adds an Extra Job Import Type for Sage 300, COINS, and Computer Guidance (CGC) ERP users. This change allows you to import additional Jobs that are not associated with the existing Jobs code.

The Import Type label displays differently depending on the ERP:

- **Sage 300:** Extra
- **CGC:** SubJob
- **COINS:** Phase (current Phase Import Type is renamed Cost Code)

See below for examples of how the Extra Job displays by ERP:

Sage 300
